

3. Describe or provide a copy of your dues formula for each type of membership. Please note which materials you are providing by mail or fax. *If formula is the same for hospitals regardless of service or ownership, please complete for General Medical/Surgical and mark others "same."*

Membership Type - Hospitals	Dues Formula
General Medical/Surgical	<p>A system approach is used. A stand alone hospital is a one hospital system. St. Vincent Health has 17 hospitals in their system.</p> <p>The rolled up expenses for each system were used to determine where in the 20-tier structure the system fell.</p> <p>In 2005, 2006, 2007, 2008, and 2009 we simply inflated the amount from the prior year.</p> <p>In 2005, 3.0%</p> <p>In 2006, 2.9%</p> <p>In 2007, 8.5% (to fund our new Patient Safety Center)</p> <p>In 2008, 2.3%</p> <p>In 2009, 5.2%</p>
