

**KHA Membership Dues Schedule
Effective 1/1/2009**

Community Hospital: a general full service facility. Members in this category would be the only voting members of KHA and would have full benefits.

Dues:

- 1) Mill levy applied to "hospital specific" costs as reported on the most recently finalized Medicare Cost Report.
- 2) "Hospital specific" costs are determined as cost report fields A101 less A31, A34, A35, A36, A71, A92, A93, A98, and A100
- 3) Dues mill levy
 - First \$3 million in hospital only expenses = \$4,500
 - Next \$17 million in hospital only expenses * 0.0012
 - Next \$70 million in hospital only expenses * 0.0004
 - Expenses over \$90 million in hospital only expenses * 0.00012
- 4) Minimum dues = \$4,500

Health Care Organization: an organization that provides health care services to Kansans. Members in this category are provided a broad but specified set of benefits without vote.

Dues:

- 1) Dues are assessed at based on the type of organization and its control.
- 2) Mill levy applied to "hospital specific" costs as reported on the most recently finalized Medicare Cost Report if the organization files a cost report and on total annual expenses if not cost report is filed. (see Community Hospital process)

	Control: Private	Control: Public
Level 1	Acute services, not a community hospital <i>75% with minimum of \$4500</i>	Acute services, not a community hospital <i>\$4500</i>
Level 2	Long term acute, post acute, psychiatric <i>50% with minimum of \$4500</i>	Long term acute, post acute, psychiatric <i>\$2250</i>
Level 3	Outpatient clinic, home health, hospice <i>25% with minimum of \$1600</i>	Outpatient clinic, home health, hospice <i>\$1600</i>

Health Insurance Company: an organization that provides health care insurance to Kansans. Members in this category would have a broad but specified set of benefits.

Dues: Flat rate of \$5,000 (includes a \$500 contribution to KHERF)

Associate: an organization that provides goods or services to the health care industry. Members in this category would have a limited set of benefits.

Dues: Flat rate \$1600 (includes a \$100 contribution to KHERF)
