

Institutional Member Dues:

- Aggregate dues amount would be determined annually based on a budget approved by the board.
- NHA dues methodology would be based on net patient revenue as reported on the audited financial statements (beginning with dues for 2008).
- Dues would be assessed to member hospitals utilizing a multiplier within a millage rate system as outlined below:

	<u>Net Patient Revenue</u>	<u>Proposed Millage Rate</u>
Tier 1	\$0 - \$30,000,000	.065%
Tier 2	\$30,000,001 - \$100,000,000	.045%
Tier 3	Over \$100,000,000	.025%

- Minimum dues amount of \$4,200 phased in over 2 years  
    \$3,600 for 2008  
    \$4,200 for 2009
- Discount is applied to adjust to the board approved budget amount.
- Maximum annual dues increase of 20% for each individual hospital
- Maximum annual dues decrease of 10% for each individual hospital
