

Kansas Hospital Association Membership and Benefits

Community Hospital: a general full service facility. Members in this category are the only voting members of KHA and have full benefits. To qualify, an applicant must:

- Have a compatible Vision/Mission with KHA;
- Treat Medicare and Medicaid patients;
- Provide treatment to emergency patients regardless of their condition or ability to pay;
- Participate in the emergency and trauma system in Kansas;
- Provide a broad set of medical and surgical services to patients with a wide variety of acute conditions consistent with other members of the association.
- Be designated as a critical access hospital by Medicare.

Health Care Systems with hospitals in Kansas for which all eligible community hospitals are members of KHA are given the same set of benefits without vote. No additional dues are assessed.

Health Care Organization: an organization that provides health care services to Kansans. Members in this category are provided a broad but specified set of benefits without vote. To be considered in this category, an applicant must:

- Not qualify as a Community Hospital member;
- Have a compatible Vision/Mission with KHA; and be ...
- A provider of a limited or specialized set of services;
- A provider of LTAC, post acute or psychiatric services
- A federal, state, or military facility;
- An out of state hospital;
- An adult care home/LTC facility; or
- Another type of health service provider (clinic, home health, hospice, etc).

Health Insurance Company: an organization that provides health care insurance to Kansans. Members in this category have a broad but specified set of benefits. Membership in this category requires that the organization:

- Does not qualify as a Community Hospital or Health Care Organization;
- Has a compatible Vision/Mission with KHA; and
- Is licensed to provide health insurance in the state of Kansas.

Associate: an organization that provides goods or services to the health care industry. Members in this category have a limited set of benefits. Membership in this category requires that the organization:

- Does not qualify for any other membership category;
- Has a compatible Vision/Mission with KHA; and
- Provides goods or services to KHA members.

Staff of formal networks of Kansas hospitals, for which all eligible community hospitals are members of KHA are given the same set of benefits as *Associate* members for no dues.
